

A new horizon.

SolaCom Air Traffic Control Joins Harris Corporation.

**Together we are building the world's
most reliable ATC networks.**

Voice • Data • Network Communications

SolaCom ATC has joined forces with Harris to create an agile and highly competitive provider of end-to-end network-centric voice and data communication solutions and services for global ATC modernization. For more information about the Harris/SolaCom ATC solution, call 1-613-232-4123 or go to www.harris.com/atc.
